The Publicist' Corner

Brothers of the Valley of Rutland.

We continue to have Valley of Rutland meetings once a month, fourth Thursday evening at the Rutland Masonic Center. The evenings have been rehearsals for one of the degrees which the Valley will be presenting thru the month of February. Come join us, if you cannot participate with a speaking part, we have a number of non-speaking parts you can certainly help us with. If you need a ride or can offer a ride to a brother, let us know.

On another note, if you have information, photos, stories or tales of olde you would like to share, send it along and we will share it in the next Newsletter or Bulletin.
